

Thank you for visiting TeacherTakesChances, and for downloading these printables. I hope you enjoy using them in your classroom!

These activities can be done alongside a read aloud of the "Land of OR" by Katie Mullaly & Toby Allen. They were primarily designed for 4<sup>th</sup> grade but could easily be adjusted for older grade levels.

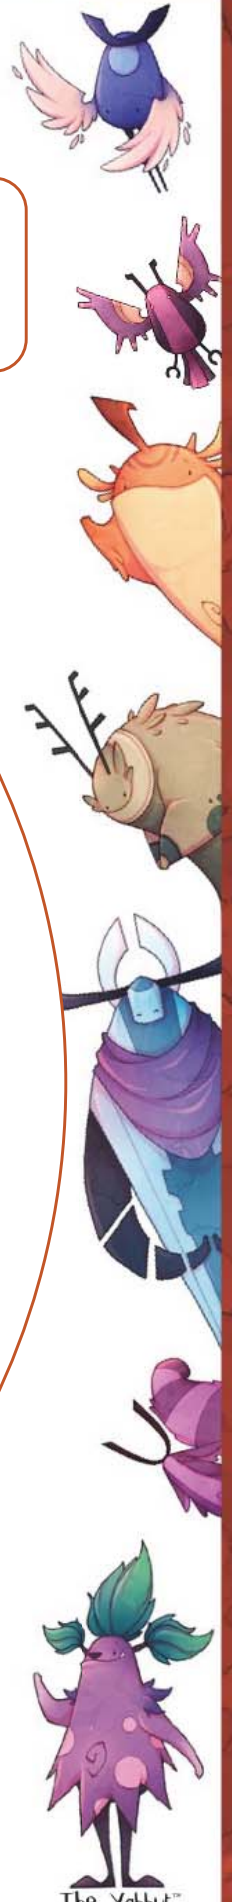

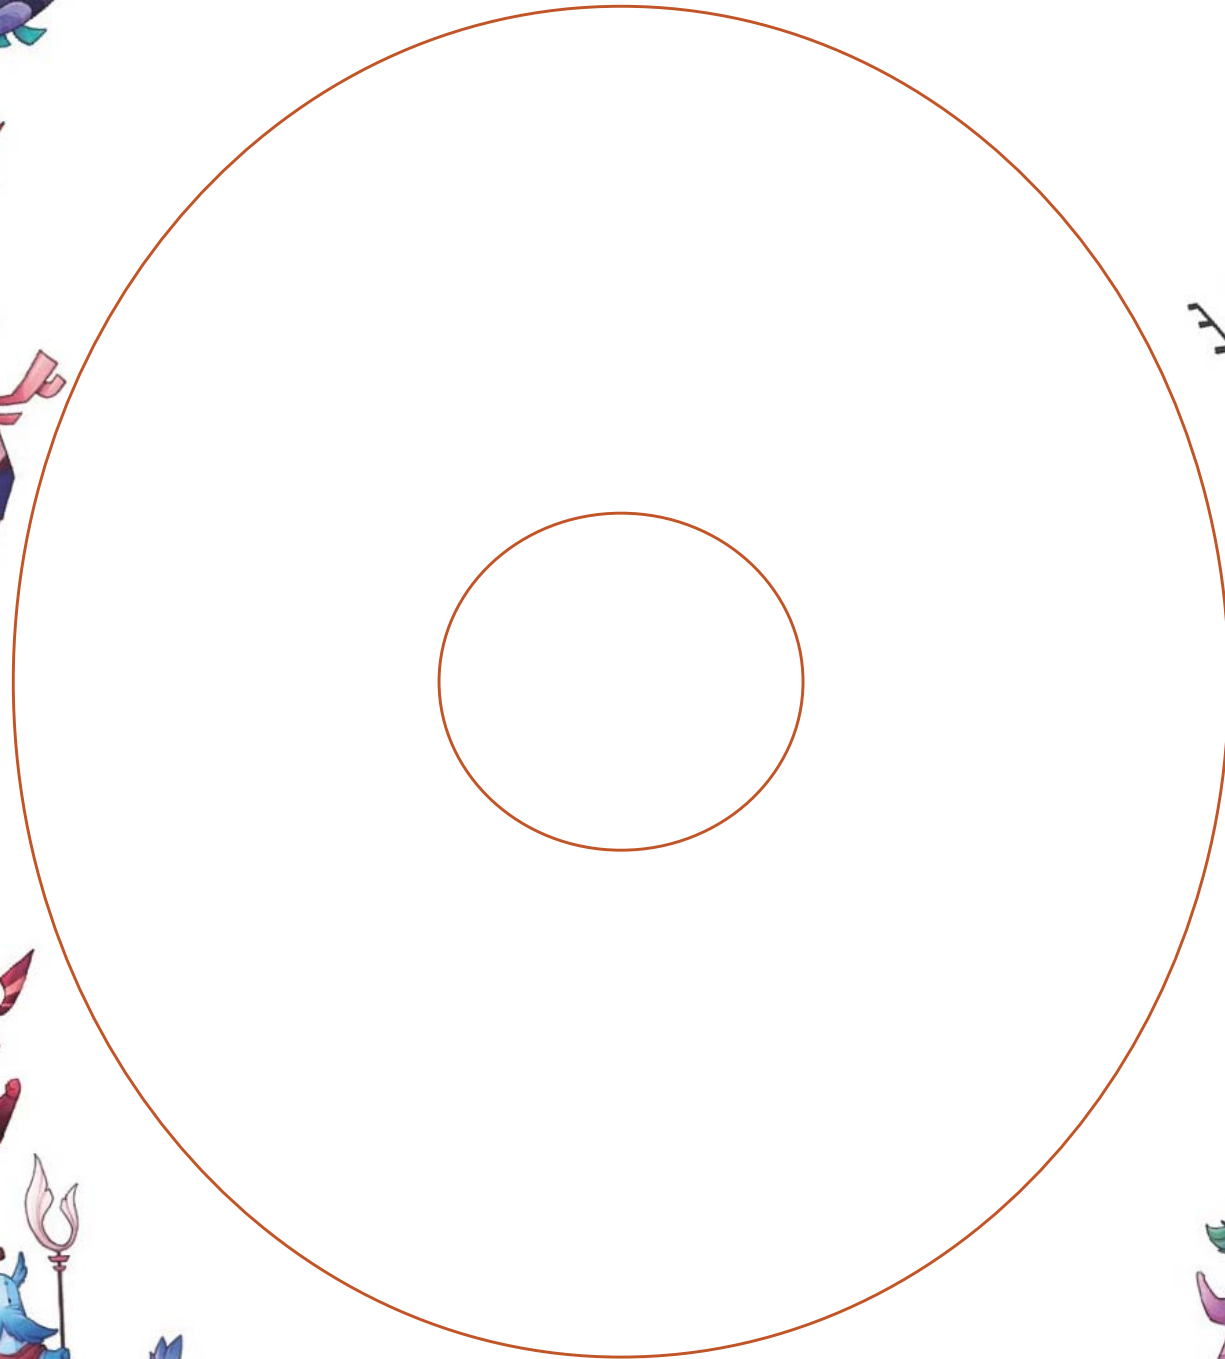

Please feel free to leave a comment and let me know your experience with using these worksheets. I appreciate your feedback and look forward to adding new activities, FREEBIES, and printables in the future!

Please visit my TPT store for more activities to use with "Land of OR" and other books in the "Land of..." children's books collection!

# Land<sup>of</sup>OR

Directions: Use the circle map to think about a time that you had to make a difficult choice. Brainstorm what **OPTIONS** you had to gather before making your decision.

# Land of OR

Directions: Use the Flee Map to brainstorm a time that you had to make a difficult choice.
